Mr. Chas & Lummis

Dear Mr Lummis

I wonder if

You are familiar with a
collection of Spanish songs
made by Mr. McCoy twenty
or more years ago. They are
of course out of print now -
Some of them were beautiful.

Very sincerely yours

Mildred Andrews

Dear Mrs. Andrews:

Yes! McCoy did an excellent and patriotic job -- ahead of his time, and never had the recognition he deserved. I have several of these songs with the quaint cover-design by my old friend Alec Harmer, and prize them highly.

I am now at work on the songs for the Second Book of my Spanish Songs of Old California to be out this Fall.

Sincerely Yours

Mildred Andrews,
